# Triopan Fireball – Next Generation

With Triopan Fireball V2 we introduce the next generation of our Mini LED flash lamp used for temporary signalisation.

NEW features of Triopan Fireball are: **simple flash and permanent light!**  
... in colors of: yellow, red, green, blue!

**Yellow:**  
Art. Nr. 777.900

**Red:**  
Art. Nr. 777.901

**Green:**  
Art. Nr. 777.902

**Blue:**  
Art. Nr. 777.903

Current prices can be seen in the online store

Our Triopan Fireball is controlled through a microprocessor and is operated with 6 AA batteries. **Time of operation** of the NEW mini LED flash lamp **is up until 100 hours**. Fully compliant with all common batteries placed on the market.

(Tested with Energizer L91 Ultimate Lithium, at 20 degrees Celsius)

Your **benefit** for Triopan Fireball:

- Very space-saving due to the little battery compartment
- Magnet function at the ground of flash lamp
- Simple flash and permanent light
- Very user friendly and NO additional adapter for the Triopan folding sign is necessary
- Constant flash rate, brightness and flash duration
