

The NEW Triopan warning sign for overhanging loads.

We establish in our product range «Multipan and warning-/danger signs» a **competitive and in handling well-known** product.

If Triopan is printed – Triopan is behind it!

At the **well-known handling** of the product, nothing has been changed!

The NEW Triopan warning sign gives you following additional benefit:

- Warning sign in a set with tension belt and case
- Velcro fastener to grant fixation of warning sign
- Raised visibility due to silver-reflex corners
- Blister packaging with instruction for use
- Current prices can be seen in the online store

Gladly, we are for your disposal for a personal talk.
